1. gun and went as guard to the woods the party to chopping  
2. logs for a smoke house found a man the company then  
3. to cross the river to drive in some hogs a scouting part  
4. ty sent down the river they returned with the news that the British  
5. and Indians was lying about 13 miles down the  
6. night Cloudy and hourly Expectation of an attack a com  
7. pany of Kentuckians arrived ordered  
8. at the old English fort distant 2 miles down the river  
9. a few of our men and some Indians were sent out returned  
10. and reported that there was about 30 Indians at the old  
11. fort. 26th Cloudy dragoons sent returned without dis  
12. covery at 12 all ordered on fatigue the guard some  
13. getting wood and some to fortify the fort at 4 PM  
14. the river for British and Indians  
15. their appearance on the other side the one of  
16. bulldogs raised a tremendous growl and they scampered  
17. off orders to make 150 yds from the fort their guard  
18. thought they saw Indians fired and precipitate retreat  
19. Ensued all placed at their alarm post the rifle company  
20. have all drawn muskets had to take his rifle in one  
21. hand and his musket in the other and stand at his  
22. post hole with a covert ing and  
23. had the enemy attempted to scale the pickets  
24. (which we expected they would attempt) we would have g  
25. them a warm reception the rifles first fired then the muskets  
26. then fall back and load our rifles the Volunteers to step  
27. forward and fire we then to advance and fire again if they  
28. attempted to scale

1. about 8 PM dismissed 27th half past 3 AM an alarm by centinal  
2. firing took our post as before dismissed to our tents to rest on  
3. on our arms about 11 AM fishers fired on across the river with  
4. out effect one of our bulldogs saw them and began to bark &  
5. it was supposed that their intent was offensive and Infected some  
6. of them received orders to kindle fires as before came on guard  
7. at 5 PM continued till near day. 28th Mounted guard at gate  
8. at 10 the Indians began to fire the across the river saw 6 Indians  
9. more going round the fort (gates all shut) some balls falling in  
10. the fort some men are now afraid to be seen in bodys by our  
11. bulldogs one third of each company employed in throwing  
12. up entrenchments in the garrison some troopers went  
13. out to reconoiter were fired on by the Indians they returned  
14. everyman to his post at 10 P 29 wet and stormy  
15. day & night In fire from the enemy with small arms  
16. some few slitley wounded an attack looked for this evening  
17. stood from on guard from 9 AM 28th till 29th at 6 PM relieved  
18. by one third of the company Each company to gard their own  
19. posts the enemy had thrown up Batterys thro the night  
20. and our dogs by their barking made ym tremble and fall  
21. out in holes one third of our men employed as before dismissed  
22. at night to rest on their arms the signal for an alarm to  
23. be the tap of the drum 30th Clear commenced firing at light  
24. at half past 5 AM killed a Kentuckian 10 steps from my  
25. tent all hands employed as before at the enemy busy in  
26. throwing up batterys at 10 PM their gun boat came up &  
27. began to began to throw some bombs

1. Saturday May 1st Clear the gunboats gone at 10 PM the en  
2. emy commenced firing from their batteries on the other side  
3. the river with red hot, round, Bar, chain, grape &  
4. cannister shot, bombs, old shovels, wagonwheels of loose  
5. log chains and Brick Bats and what ever they could cram  
6. down a cannon or mortor with little intermission  
7. (except at night when they threw long bombs about every  
8. two hours to keep us from sleeping) all hands  
9. busy in throwing up traverses thro & across the garrison on ye  
10. night of the second they had carried a six Pounder &  
11. a mortor across the river then commenced firing & continu  
12. ed as the others till the 5th about 10 AM when the Ken  
13. tuckians under General Clay came down the river  
14. part of which landed on each side of the river on  
15. our side they ware attacked Immediately a detachment  
16. sallied out of the fort they were however obliged to retreat  
17. to the fort the party on the other side came round the enemy  
18. took and spiked their cannon a second party went out  
19. of the fort took and spiked their cannon on our side then  
20. retreated with loss fetching 40 prisoners on the other  
21. side the Enemy rallied and retook their cannon & tota  
22. ly routed the party a flag from our side stoped  
23. firing from this to the 9th passed in complime  
24. nts between the two armies still fortifying the fort  
25. and making bomb proofs.

1. two company the Ohio Militia ordered out to cover the retreat  
2. of a reconoitering party during which time the En  
3. emy hauled down their coulars and took a hasty leave  
4. of us our dogs grined and even barked at them  
5. about 12 three cheers ware fired from every gun  
6. on the Batteries this afternoon and two following days  
7. spent in hunting burying the dead was out the  
8. second afternoon seen 12 or 14 scalped tomahawked &  
9. covered them with old logs 12 Gen  
10. Harrison left the garrison for sandusky with  
11. a guard of horsmen the rest gon the day before  
12. to lebanon 13th attacked with the rhumatism &  
13. fever unfit for duty for sometime tryed it too  
14. soon and relapsed tryed it a second time had  
15. the same effect still able to keep about the  
16. fires 3rd of June 4th washed my cloaths &  
17. put a blanket shirt next my skin a boat load of  
18. potatoes came round from Cleveland sold at 2 \$  
19. per Bl sat up till 2 AM with Ad. snider he was  
20. all day and night 5th showery and warm Sunday  
21. 6th ~~Cloudy Morning Clears of in the evening snider still~~  
22. ~~wrote a letter to~~ a band of musick this evening drew  
23. ~~the attention of the fort it was composed of a drum two flutes~~  
24. ~~two cornets and a lyre up most of the night 7 about~~  
25. 4 AM an express arived with news that fort George was taken  
26. 21 cannon was fired in the morning & 18 at 12 7 drums &  
27. ~~fifes and the band playing alternately at sunset a gun~~  
28. ~~fired to lead in a lost regular he lay out all night a wet~~  
29. night a drove of cattle from sandusky arrived some killed

1. 8th wet morning have the care of snider he better about 1 PM  
2. a party came in being part of a detachment sent to defiance  
3. to fetch down provisions in the evening some Perogues came  
4. down 9th a detachment went up with perogues to help  
5. the boats over the rapids of the more  
6. Perogues arrived the flour much damaged as the had  
7. in some Instances to throw out the Barrels and let  
8. them float and then tow their craft after and catch  
9. their load as the could 10th heavy rain thro the day  
10. very wet night 10th A detachment sent up the river  
11. about three miles on the opposite side and discovered  
12. a party of Indians 19 or 20 in number on horseback  
13. our men fired on them they retreated without firing a gun  
14. and without pursuing a second detachment sent out  
15. a 75 or 80 on Each side of the river they returned without  
16. any discovery Capt. shaw with two others sent as spys  
17. on horseback to the head of the rapids provitions drawn to  
18. the fort from the landing 11 sick this morning a second de  
19. tachment called for to go to defyence Major Ucle Genl.  
20. leaves camp this evening wrote a letter home little rest all night  
21. 12 this morning Mr. Thompson quarter Master left  
22. camp for Amanda caried our letters thirteen flatboats  
23. with the perogues safe Arrived Sunday heavy raid before  
24. day cloudy Morning drew rations for 6 men being  
25. all fit for duty reported none for the sick nor their  
26. waiters two barges came from Cleveland with  
27. tea coffee sugar butter cheese potatoes & tobacco with  
28. with other articles & etc. About 5 PM died Theo Wassom  
29. buried this about sunset 14th washed snyders  
30. cloath 2 \$ produced by sl. B. Walker & 2 \$ by snider

1. to purchase necessaries for the mess to be shared &  
2. shared alike \$2.25 cents laid out 15th  
3. In but failed snider very  
4. 16th this day we had to remove our Encampment about  
5. 30 yards verm snider still low I flet much fat  
6. taigued for want of sleep the command of the fort is  
7. given to Genl. Green Clay be Genl. Harrison on the 12th  
8. May Clay being sick conferred the command to Col. Miller  
9. of the 19th regiment the Genl this day resumes his Com  
10. mand full rations drawn Vinegar excepted the mail arrived 17th this  
11. day the mail returned and some wounded dragoons started  
12. for home Capt. Jack from near Greensburg interred this day  
13. a party of 4 from & accompany by Genl orders  
14. the river to gather strawberries & greens sick  
15. night 18th better this morning most excessive warm  
16. for some days past Cloudy thunder and like for  
17. Genl. orders 5 hours each day and  
18. 19th this day the Detachment from fort  
19. Defyance with 7 boats loaded with flour returned  
20. John Vanderhorst departed this life about 4 PM and buried  
21. this evening some showers sabeth 20th Cloudy Morning  
22. in reading Dr. Young's night thoughts was struck with his  
23. observations on the fear of death as thought I saw it  
24. realised in the countenance of numbers this day spent  
25. as other days of the week in hauling flour from the boats  
26. some some spys having downing to the old fort was met by  
27. two deserters Prisoners to the Indians who informed that  
28. the Indians to the number 8000 have Collected & coming  
29. with they British and Canadians to give us a second atack  
30. all hands at work in destroying the British batterys &  
31. every covert for the

1. 21st all hands at work in clearing of the timber & brush  
2. for 200 yds from the fort at sunset 30 added to the picket  
3. guard 22nd the same as yesterday about 4 PM Donald  
4. Snider departed this life and was buried about sunset a  
5. detachment of Horsemen said to be about 800 arrived within  
6. a few miles of the fort orders were sent to them to encamp in  
7. a prairie a very wet Evening 23rd this Morning we comence  
8. our fourth Month and the time will run down hill fast  
9. part of the detachment of horse crossed the river  
10. and encamped on the bottom the other part remai  
11. ned with the boats coming down the river 3 or 4  
12. of which arrived this evening tired and sick af  
13. ter a hard days washing 24th took a vomit wrought  
14. hard feels much better recieved a letter dated 9th  
15. a detachment sent up the river with craft  
16. to some boats stoved the night before Mail  
17. 25 some better mail started at sunrise  
18. 26 Called on guard taking the Janduce this Evening  
19. the rest of the boats arrived. sabbath 27 this morning  
20. a detachment sent up to rush de boo about 9 Miles  
21. to bring down about 200 Bls of flour left there by  
22. the boats two men from Lower sandusky came in  
23. with three horses laden with cramberrys & sugar  
24. & two milch cows to sell milk teams busy in haling  
25. flour from the boats got a permit and crossd the  
26. river to gather saled wrote a letter to send home  
27. by Am Phelps spys returned that had been out all  
28. night and said they heard heavy cannonadeing on  
29. the Lake but knew not the cause no signs of the  
30. Enemy to be seen Capt. Langham came in from  
31. a scout after night fired on by one of the cen  
32. tinels no damage done

1. 28th to~~x~~ Phisic wrote two or three letters about 3  
2. PM Genl Harrison and suite arived the Genl  
3. salute was fired from the cannon a detachment  
4. of horsemen had went out to escort him in they  
5. made a brilliant appearence as they approached  
6. the fort about 6 in the evening the 24th regiment  
7. in part arived about 300 in number from  
8. fort massac on the Mississippi 29th a Detailed Detach  
9. ment started up the river to the assistance of  
10. Detached on the 27th the water failing fast in the  
11. river a detachmc of 110 horsemen started and sent  
12. to the river resin the rest getting their horses  
13. shod with all possible dispatch the mail arived  
14. this evening 2 AM & PM arived 30 the det  
15. achments sent yesterday returned both with  
16. their errend the horsemen brought two Cana  
17. dian french prisoners more horsemen arived  
18. Thursday first July a dull morning out on  
19. fatigue Genl Harrison & suite left camp with about 30  
20. horsemen an Express from Lower sandusky with intelligence  
21. that the Indians had killed 4 men and three was  
22. missing in full view of the fort in the Evening a man  
23. that was prisoner with the Indians atter traversing  
24. the wilderness for 10 or 12 days without victuals he is so weak  
25. he can hardly speak  
26. 2 the Packhorses with some sick started for deffyece  
27. and a detachment up the river with barges and

1. Perogues for flour about 4 PM the Drum beat to  
2. arms an express came in with the intelligence tha  
3. Indians had attacked the horse drivers and defeated.  
4. them 40 of the Ohio militia turned out under Capt.  
5. McCowan with 160 regulars and Kentucky Militia &  
6. Marched 5 miles up the river there met they boatmen  
7. and several of those in the action we then returned  
8. to camp about half way hailed across the river by  
9. an officer of the 24th regiment they lay out all night  
10. one or two scalps brought in 3rd they detachemtn sum  
11. moned to parade at the taps of the drum  
12. Abra<sup>m</sup> Hammy took my place started by sunrise  
13. drew 6 \$ to compleat two months pay four spys  
14. went down towards the lake they returned said they  
15. say fresh sign in abundance about 13 miles from they  
16. fort the different detachments returned & brought  
17. in the bodys of three killed and scalped a very wet  
18. night. Sunday 4 July at sunrise 18 guns fired and the  
19. little band of music played thro the fort. Each man fit  
20. for duty drew an extra gil of whiskey at 12 o'clock 18 guns  
21. fired the band of Camp Music played alternatly the Volunteers  
22. Celebrated the day in company haveing a beef for a barbe  
23. que and drank their tosts with Music and loud Cheers  
24. a Public Dinner to the Commisioned officers in  
25. Town all Present all Prisoners of Every discrip  
26. tion set at libirty at sunset one gun fired two or  
27. three detachments went on serch of Beef cattle  
28. 5th the cattle came in during the night 14 of the Ohio  
29. men sent out as spys for a day Dr. Saret our  
30. surgeon died bad with a pain in my back one Cogni  
31. sence taken this day or yesterday a coat sold at 61 \$  
32. 6th the detachment that went down the river

pg. 9 cont.

33. yesterday returned about 9 AM made no discove
34. ry had high wind and much rain before day

1. Wednesday 7th heavy rain in the morning raised
2. our tents 18 inches from the ground Indians
3. discovered by the sentinels two companys
4. started on different routs in persuite of
5. them they returned but saw no sign
6. Thursday 8th bad with a pain in my back can
7. draw no Whisky rashions of Whisky for
8. two drams a man shot in the leg by accident 2 men unarmed from sandusky
9. came in the evening the Mail came in a very
10. wet night
11. 9th cloudy morning recieved a letter datted
12. 13th of June wrote one and posted it
13. 10th the Morning very cold Mail started
14. escorted by about 30 horsement sent a
15. letter by private carriage some Indians
16. discovered by a fatague man with in 30 yrds
17. of the guard and not seen by them nor ym
18. nor the guard by the Indians a party went
19. out discovered two fresh mockinson tracks
20. followed them till they fell in with horse
21. tracks and expecting them to fall in with spy
22. company that had went out in the morning returned
23. Sabath 11th cold Morning took a walk down the river to
24. by fish got none about 2 o'clock the advance guard
25. of the spys came in sight viewed by the officers
26. took to be Indians 80 detailed to go to meet them
27. when the company came in sight a cannon
28. loaded to fire on them shot at a mark.

1. 12th Employed in clearing my musket & A. Sniders
2. rifle General order to raise a company of spys to
3. consist of 20 privates bought at public vendue a shirt and greatcoat  
13th Cold morning on fatage
4. wrote a letter to send home Salvester Willson died
5. about 5 PM Entered at dusk General order to draw
6. 12 oz of bacon we had drawn but 10 for some time
7. 14th Clear morning rains about 12 report said that
8. we should start the 26 instant before two with
9. the regiment in 3 hours news not to go till the
10. six months was out read Roderis Random and
11. Paul Joans a part of they spys went down the
12. river in a Coal boat 15th wet Morning Counted
13. the Common tents and found them to be about
14. five Hundred Excluding markees the spys return
15. ned have not discovered any thin Mail arived a capt
16. of the 24th regiment came in with it and reported
17. that Malden was Evacuated 16th Cold to an Extream
18. and looks and feels like for snow several letters
19. got by the company by which I learnt that my
20. letter of the 12 of last month had been recieved
21. sent a letter by a private carriage the remain
22. der of Kentucky horsemen started for Piqua
23. one of Capt. Shaws men started home
24. 17th cold Morning called on guard a detachment
25. xx called for to go to sandusky to escort the
26. xxx Mail and to Escort the Genl P.M. to camp in the
27. Evening a brigade of pack horses arived laded with corn
28. and muskets comisarys buildings finished side Capt
29. Shaw got orders to march to caron river cloudy evening

1. sabath 18th wet morning the guard shot for two  
2. prizes in whisky a spy boat well finished and  
3. masted started down the river no fatauge this day  
4. it is the first day that has mised since we came to  
5. camp the 4th of July Excepted thre men with 5  
6. horses came to camp from sandusky with Coffee  
7. Tea & sugar 19th foggy Morning the Ajutant  
8. thro our company officers presented us with  
9. a reat on parade Capt. Shaw and Company  
10. started for caron river his sick mounted on  
11. pack horses. (washed ~~my clothes~~) one of Capt  
12. Binckly men started went about three  
13. half a mile and died before he could be got  
14. back John Brant died about 3 PM Enter  
15. ed by 6 24 regiment taken out & drill  
16. the spy boat returned haveing been three Miles  
17. on the lake heard the Morning gun a Malden &  
18. some time affter heard a number three more  
19. 20th Cloudy morning called fatigue came on ra  
20. before seven the fatiuge not called Capt.  
21. Peters came in after being follwed a day by  
22. the Indians Elex Bigam departed this life  
23. about sunset the company of spys went out 21st at sunrise the savages fired  
24. on the wood guard and on the fort, Buried  
25. Alexre Bigam in bumbproof all on fatigue  
26. of the guard 12 in number three only returned  
27. all our oxen 30 in number moved of by the Indians  
28. considerable firing of cannon in the evening a comp  
29. any came in from Carron river with out disturbance

1. two partys went out to help in some that were  
2. behind returned unhurt quiet Evening all at  
3. the pickets all night 22nd Alarm guns fired by 3 A  
4. M under arms till day light quiet till about 10  
5. two guns fired at the old fort at day brake and  
6. two were heard at agrate distance & at intervals  
7. they were heard till ten AM when the Indians com  
8. mence their firing & at intervals thro the day two or three  
9. masted vessels seen by the old fort 3 number of red coats  
10. and dragoons Indians and horseman pass repassed  
11. down the river bottom on the other side and cross and re  
12. cross in grate numbers in the evening a man wounded  
13. in the knee across the river all on fatigue through the day &  
14. at the pickets all night three expresses sent out 23rd at work by sunrise  
but latter  
15. firing a party of regulars sent out about 12 AM to see if any  
16. works on batterys ware Erecting in our vicinity three  
17. or four Indians fired on the psys and then retreated  
18. the party fulfilled their orders when orders was sent  
19. to the commander to return by the same route but to  
20. extend 150 yds further out 50 Ohio volunteers wanted  
21. to cover their retreat 120 Volunteered none mounted  
22. Commanded by Col Mills we reconnitered the square  
23. of the fort halted and formed in full view of the British  
24. fort their alarm beat & we returned to the fort on our way in was halted  
by Genl  
25. Clay and our Company was ordered to kill and bring  
26. some hogs which was done but before we got in Maj.  
27. Hawkins hailed us to come in as 230 Commanded by a  
28. horseman was in full march in less than one hour the  
29. began their fire on the fort and a number of horse men seen from  
30. up the river on of the Kentuckians wounded all hands at

1. 24 foggy MORning Heard guns one agrate distance the  
2. much nigher hand the British bugle horn sounded  
3. clear and shril by 10 AM all called to their post  
4. vast numbers of horsmen seen on the other side  
5. of the river going up in agrate hurry Indians seen  
6. creeping up to the fort with bushes tied all  
7. round them by 11 AM bagan t fire afew  
8. guns at the pickets out of the woods and  
9. some out of trees threw two or three bumbs  
10. towards sunset which disperced the Indians  
11. all order to the pickets an 18 pounder placed  
12. close on our left sabath 25 half past three  
13. ~~all called to arms a gun heard down agrate dis~~  
14. ~~tance at the Enemys Camp a gun bugal horn drum~~  
15. ~~fife and the yell of hell hounds which continued~~  
16. near an hour all quiet three or four Indians seen  
17. up the bottom a deer drove into the river by the in  
18. dians a man went out and shot it & brought it into  
19. fort sold the livers and lights for 40 cents 2 PM  
20. some few guns fired round the fort at some distance  
21. continued till Evening all at the pickets  
22. 26th a Kentuckian shot thro the ankle by accident an alarm at 1 AM that the  
Indians was  
23. in numbers between us and the river all  
24. under arms all quiet till day light when we  
25. ware dismised at sunrise several guns  
26. fired round the fort a 7 AM an Express arived  
27. with inteligence that our fleet was under way and  
28. that we must deffend the fort for Genl. Harrison  
29. was not coming with any reinforcement Col Mills horse  
30. with Ajutant Belis and one other chased in by the Indians lost  
31. two horses

1. about 2 PM a sham Battle by they Enemy in order
2. as we supposed to draw us out of the fort but we sus
3. pected the design as there was none came in view they
4. battle continued better than an hour when amost Incessent
5. rain came up which ended the battle they men in the fort
6. being on their post and each having some two guns after
7. the rain orders to fire of all the guns that was not perfect
8. ly dry this discharge resembled a battle to the life
9. and continued near an hour Wm Jamison wounded in the head & shoulder
10. 27th Cloudy Morning called on guard rain thro
11. the fore part of the day some few guns fired tho
12. at a considerable distance three or four seen up
13. the river in the Evening and some guns fired
14. 28th read the funeral sermon not well all quiet about 11 AM the enemy
15. began to hoist their sails and wear out of the har
16. bour and to all apearance going of Cannonade
17. heard down the river the horse seen to pass Down
18. rapidly 4 cannon fired at them one or two unhor
19. sed three spys went out in the night thro the
20. Enemys Encampment discovered 4 Indians
21. who fled at their aproach to apearance all gone
22. 29th an express sent out for sandusky still unwell reported that cannonading
23. heard on they Lake washed my cloaths grate
24. numbers out washing spys went at night challeng
25. ed by a little dog thought the heard a canoe crosing the river
26. 30th cool morning at 10 AM a scout of upwards of 100
27. went out an reconietered round the camp with 7 horsemen
28. to flank made no discovery 7 more horsemen started out

1. as spys all the small arms in the fort discharged in  
2. platoons which amounted to near 5000 Catp Dudley went  
3. with some spys to the British Camp and from the  
4. appearence supposed their numbers to be 6000 in all  
5. 4000 Indians the rest British brought in two horses  
6. an express sent by night to fort winchester  
7. 31st at the pickets by 2 AM thro the fort heard a deal  
8. of news picket guards set out about 12 a centinal fired  
9. on a painted spy and alarmed the guard who fired  
10. but held their ground this alarmed the fort all  
11. to their post men begin to crawl out of the fort as  
12. usual heard many things concerning our destination  
13. heard that for<sup>t</sup> Winchester had been besieged but the per  
14. son that brought the news could not be found nor had he  
15. been see by any one about the fort an Express went to  
16. sandusky  
17. Sunday 1st August on guard stacy Brown with some  
18. three or four more sent out as spys towards sandus  
19. ky heard 3 Indians whisper distinctly about 80 yds  
20. and they then retreated with rapidity heard a gun  
21. gun on the road to sandusky about 10 PM in less than  
22. 3 Minits the Express hailed the sentinels Capt. ~~Mc~~Cune  
23. Sert Harrison & three Indians 22 three cannons fired at  
24. daylight orders to March in two hours to fort Finly all busy to  
25. start Marched by 11 AM moved rappidly and by dusk  
26. arrived at Portage after leaving the river we had  
27. 7 or 8 Miles wet Prarie intersected with small streaks  
28. of woods the rest of the road high dry sandy road found  
29. the fort exacuated and burned Capt. Hatfield Company  
30. being with us and had orders to stay or return he sent

31. an Express back what the result with them I know

32. not

1. 3rd started soon in the Morning passed the black swamp  
2. very sore feet came up Carron river 6 miles left it  
3. near the head 5 sent forward to the fort about 6  
4. miles of the fort a number of fresh sign 2 sent back  
5. back to the company and we proceeded onto the fort  
6. but nigh coming on we incamped without fire  
7. within 3 iles of the fort nothing to eat  
8. 4th started by day sign plenty at sun up met by  
9. 3 men with two horses, two horses, two canteens of whisky  
10. and some bread, we took a chock and moved on  
11. arrived at the fort in a short time from the black  
12. to fort Finlay the land level & fit for culter  
13. vation and of the first quality Capt Sigmond got the command of the fort  
14. 5th fine Morning a party of pack horse drivers star  
15. ted for Urbana Johna Vandervorst & Paul went  
16. with them sent a letter a aprty of 12 went down  
17. the river half a mile to fish with a brush net went  
18. as guard Caught 31 a man from sandusky appear  
19. who stated that Lower sandusky had been attack  
20. ed by storm by the enemy which lost 240  
21. killed and Prisoner & two small vessels  
22. a man of Capt. Hatfields company came in which served  
23. with us from Portage Called on guard at dusk  
24. 6th fine morning relieved of guard at 9 AM tho order  
25. and regulations of the garrison being intirely changed  
26. half the men on fatigue great mumrmuring by those that  
27. had been here before in the evening Capt. Mills and  
28. staff Capt. Hamilton & Capt. Binklys Companys arrived  
29. on their way home

1. 7th grate bussle in starting all gone except some
2. sick from fort Meigs sent a letter by John
3. Hunter gott full possession of the fort took a
4. bed find things more Comfortable than here to
5. for Stacy Brown sent to Urbana for Coffe sugar & etc sabath 8th fine morning up by light rest
6. ed better than usual it being the first night I slept in
7. a bedstead a bragade of pack horses came in with ba
8. con Escorted by 100 30 days volunteers who said a man was killed a few days before at McArthur by Indians saw &
9. conversed with Wm Morton they tarried all night
10. on the west side of the fort outside
11. 9th fine morning a number of guns heard thro out the
12. night by the sentinals and cannonade heard by
13. the Volunteers till 10 AM about that time one company
14. with the pack horses started for McArthur Called on
15. guard dismissed and appointed to wait on D. Levings
16. ton a consultation with the officers respecting the rem
17. maining company staying during their time as we were
18. too weak to keep the fort they declined staying and mar
19. ched of about 12 at night doubled our guard and find
20. that some must stand 48 hours together lost consider
21. able sleep 10th Levingston some better S B Walker
22. took a physic the fort cleaned up shot at a duck made a pot
23. of hominy put Blisters to Levingston lags little rest
24. 11th Cool mroning Breakfasted on hominy in the Evening
25. Stacy Brown returned from Urbanna with Coffee
26. and sugar after an absence of 5 days got a lb of Coffee
27. and 1 3/4 of sugar

1. 12th Haisy Morning Charles Forquer furlowed to go  
2. to Urbanna with the horse that Brown brought  
3. in sent a letter Livingston some better Amos  
4. Briggs died about 11 AM no one seeing him dieing nor know  
5. ing him to be ill about 3 PM was Intered all fit on  
6. fatiegue clearning of the under brush round the fort  
7. 13th Clear Morning Levingston some better was  
8. ed his Cloths sml Coburn as has been his  
9. custom since we came here gave a few Melodious  
10. strains on the Violin and the day closed with  
11. cheerfulness and one half went to the repose  
12. while the other went to their posts of observation  
13. 14th haisy morning forepart of the day spent in  
14. washing Cleaning up my gun and preparing  
15. a pair of knee bands Levingston came to his sense  
16. Read an account of a battle in whic 50000 was slain  
17. Sabath 15th Wett Morning read Gregory Cegery to  
18. Daughters haveing previously read two  
19. makers and the way to get Married read and hear  
20. more of the bible than I heard since I left home this is  
21. the only sabath that has the appearance of a day of  
22. broke away about 1 PM went and fixed a fish pot  
23. in the front of the fort little rest at night  
24. 16th Cloudy dull Morning out after turkeys  
25. forenoon spent in mending Cloaths sun breaks  
26. out about 12 the afternoon bad with a lax  
27. Levingston better talked of going to spy about  
28. 5 miles out

1. 17th rain thru the night fine Clear Morning Caught two
2. fish in our trap weighed this morning 163 lbs lost 7
3. some lbs Coburn & I went on a scout down the river
4. about  $1\frac{1}{2}$  Miles say a trail of two mockisin tracks
5. went on made no further discovery went down
6. 3 miles or further and returned the Capt & WC
7. went north the Insine Commisory & T Craford
8. went East James Kelly & Thos Clark went
9. south Each about three miles made no discovery
10. and returned much muskitto bitten the commi
11. sory caught a turtle & had it dressed and each had
12. a taste generally liked
13. 18th Cool & Clear morning took a Phisic of Caster
14. oil a ball ably erected a wolf trap made burned
15. and destroyed a vast number of fleas
16. 19th got a mess of fish a Regular detected in
17. steeling **shugar** Levingston much better
18. Thos Clark wounded a buck in the river in
19. view of the fort as a party was starting down
20. the river after two canoes we all followed
21. some in and some out of the water for one
22. mile all gave up the persuit to of us went
23. on a mile further to the lower Carron and star
24. ted up and saw and WC shot WS was
25. taking sight when S Anson shot it nun of they fol
26. lowed apiece we all returned took a dram and 4 started again
27. returned unsuccessful
28. while we were out the regulars started & brought back serched
29. for Rigs money

1. 20th Clear Cool morning two large turtles brought in
2. out thro the woods after the wounded dear to no pur
3. pose dined on part of the turtles
4. 21st fine morning not much rest with a gald
5. ing on my foot went out as gard with a fishing
6. party Caught 24 on our return to the fort found
7. Charles Forquer & John Gillis had come in
8. the evening spent in cleaning fish reading
9. letters and hearing news little rest at night
10. with my foot
11. 22nd fine Clear & pleasent morning
12. oppressed my foot greatly swelled wrote a letter
13. all employed in writing slept well thro the night
14. 23rd Pleasent Morning swank & Thomson furlow
15. ed and started for home
16. 24th Pleasen Morning washe my Cloaths had
17. considerable of head eack
18. 25 Pleaseant Morning a party of 16 went down
19. the river 1 Mile to fish Caught 20 I shot a large
20. white pearch this evening SBW took a game
21. at ball
22. 26 fine Morning an Express from head Quar
23. ters came to this place with orders to the
24. Quarter Master at this place to send on the
25. Cloathing from this place he immediately started
26. back with orders for Wagons to come on Immediately

- 28.
- 29.

1. 27th did not hear the Morning Gun went out by sun
2. up with Thos Craford to hun squirrels shot two
3. T. Clark shot an Eagle Hawk all that can at fixing
4. boxes for packing up cloathing by 12 all the Clo
5. thing packed and a gill a piece of Whisey drawn
6. Playing Ball and running foot races together
7. with other small games passed away the eve
8. ning till Parade after which drawing by
9. the neck and singing songs till tato
10. 28th Morning somewhat Cloudy and warm
11. Caught a rackoon in our wolf trap had some fun
12. went out and shot a sqiurel fished in the afternoon
13. Severe hard thunder and lightning in the
14. Evening the fort sprinkled
15. Sabath 29th Morning Clear fort swept of
16. in order to destroy the fleas as the ware
17. like to take the fort without arms about 2 PM
18. John Carred came as substitute for Saml
19. Cobron wrote a letter
20. 30th warm Morning Cobourn & the com
21. misary started by 7 AM heavy shower
22. had supper of Pickled Oisters
23. 31 Clear Cool Morning fished and hunted
24. till noon had a shot at a large buck got nothing sup on greens
25. & coffee
- 26.

1. Wednesday 1st of Sept Cloudy morning by 7 AM
2. rain Caled on guard gathered a mess of Clams
3. Wm Coborn mad distracted with the Pleurisy
4. got him bled by half after 10 PM got easy
5. 2d Cloudy Morning guard shot for Whiskey won
6. the highest Prize went out with my gun got
7. three squirrels rested wel
8. 3d Cool Morning killed a Mounten wash
9. ed my Cloathes a buck shot at out of the
10. Entrenchment by T. Crafford Coburn bad
11. the fore part of the night
12. 4th Cool Morning Called on guard some
13. small showers thro the day 9 Waggons from
14. upper Sandusky Came in in the Evening no
15. news of importance
16. Sunday 5th foggy Morning Waggons loaded
17. with sundry kinds of Cloathing Carpenters
18. tools nails fixed ammunition Pig lead and
19. 150 pair of yanky horse geers with tents
20. and other lumber
21. 6th Morning Cool went out with my
22. Gun shot a squirel, Came in James Hart
23. had Shot a large buck wt 153 (Waggons
24. started took a Regular with them) the Ven
25. ison divided thro the Company supped on
26. soup and Venison

1. 7th Morning Cloudy Called on guard
2. about one fourth of the men sick Cloudy
3. and rained all night
4. 8th Cloudy & Wet Morning dull and haisy
5. thro the day fixed our fish pot
6. 9th dull Cloudy and wet cleared up by 10 Morning went
7. out with my gun fell in with Thos Crafford
8. went up to the Indian Town on the south side of the river
9. side of the river crosed over to the north
10. side eat some plumbs the town was hand
11. somely situated on the North side on a high
12. dry bank and surrounded wtih dy
13. lan and White oke Timber some apple
14. trees grows up in the town on our
15. return Crafford shot two squirrels
16. and a Turkey Cock Saml Anderson sick
17. 18th Cleer and warm Morning clouded before
18. 10 AM started with Crawford went up
19. on the south side about two miles
20. Crosed the river to went up to lik
21. one deer one turkey and some pi
22. gions in the lick did not get a
23. shot viewed the lick eat some
24. plums and hazle nuts sat a while
25. and returned toward camp shot 4 squirells

4. Capt. Herrington with a company of Kentucky
5. horsemen arrived in the Evening the belonged
6. to Col Johnsons Regiment
7. 12th warm Morning and Clear Cloudy by 11
8. wet afternoon the horsemen drew arms and
9. exchange their Muskets for Yogers wtih our men
10. 13th dull cloudy Morning by 8 AM the horse
11. started for fort Miegs sang a few tunes
12. Capt Herrington & Mattison called on
13. guard Cannon heard to the amount of 12
14. or 18 the Evening Cloased with a few
15. songs
16. 14th ~~Cool Morning about 10 AM one regular~~
17. ~~sergent and two Indians from Meigs arived~~
18. ~~after 4 deserter of Capt. Chuns Company~~
19. ~~washed my Cloathes the sargent Indians~~
20. ~~& Charles Forquer started for McCarther~~
21. about 12 the herd no news of Importance
22. 15th warm morning with flying Clouds
23. went out with my gun shot one squirr
24. el had a bad head eack rested well at
25. 16th warm Cloudy morning caled on
26. guard wet and heavy rain by 10 AM out
27. shot a pigion Clears out got
- 28.
- 29.

1. 17th Cool Morning & Clear washed Cloaths out
2. with my gun shot a squirrel
3. 18th Clear and Cool morning Clouds over
4. took Physic went out with my gun no suc
5. cess gathered some winter latic
6. 19th Cool Morning Called on guard one
7. deer shot at in the Creek on seen going
8. half around the fort in the Evening a large
9. came down the river and was shot by
10. T. Clark and H. Snell two or three
11. guns ware fired our Commy being
12. out and hearingthe guns supposed the
13. fort attacked and came in puffing &
14. blowing the venison divided
15. 20th detailed to wait on Saml. Anderson
16. about 3 PM came a man said from
17. fort Miegs and had started on the 16th for seneca in
18. Company with 5 others but being dis
19. persed by the Indians he had wandered
20. till he arived hear without victuals he
21. stated that a Naval action had taken place
22. on the Lake and the Queen Charlotte was
23. with some other vessels he was.

1. supposed to be a spy and sent
2. being found he was taken as a deserter
3. about 4 PM Major Huckel with some
4. others arived with horses to convey us
5. home the Evening was spent agreeable
6. 21st foggy Morning went out with my
7. gun shot two pigions in the afternoon
8. T. Clark & E. Sudtman shot a three
9. rpong buck divided among the compan
10. ny
11. 22nd at the sound of the horn the
12. company paraded and a proposition
13. made to them to turn Volunteers
14. to defend the fort for some days to
15. see if any troops would come to this
16. place none turned out about 3 PM
17. Col Mills with 6 or 7 sick and lame
18. from fort Miegs Came to this place
19. the tarried about 2 hours and started
20. all busy in preparing to start on the
